Loose-packed plates

Unit = Cardboard box

Loose plates in 330mm high boxes.

Loose-packed plates in boxes

Packed cardboard box

Unit= Cardboard box

Banded bundles packed in 110mm high boxes.

Packed bundles in boxes

BigBox pallet

Unit = Pallet

Strapped bundles packed on a EUR pallet with corrugated cardboard lining.

The pallet height is about 630mm which means there is room for two pallets on one pallet space.

BigBox-pallet with packed bundles

PLEASE NOTE !

Smaller plates are sold loose in cardboard boxes

They are too small to bundle and stack. We call them loose packed and they are sold per box.

The box size is different from the boxes with larger plates.

The boxes have article numbers ending with HL, e.g. 10-051152H**L**

The grid above presents the number of plates per box (in yellow-coloured fields).

Larger nail plates are bundled and stacked

The bundles are packed in a smaller carton than the loose-packed plates and can be purchased per carton.

The boxes have article numbers ending with a K, e.g. 10-178203H**K**

The grid above presents the number of plates per box (in blue-coloured fields).

Larger volumes of the bundled sizes

Bundled sizes can be bought in bulk - we call it BigBox.

The bundles are then stacked on a EUR pallet, with corrugated cardboard lining.

BigBox has article numbers ending with P (as in pallet),
e.g. 10-178203H**P**

The grid above presents the number of plates per box (in green-coloured fields).
